

IB Diploma Provisional Results: May 2026 - King George V School

We are delighted to announce that the class of 2026 celebrated what is quite possibly KGV's best ever set of IB Diploma scores. A grand total of 214 students (our largest cohort to date) were entered for the full IB Diploma with a 99% of students passing. An impressive 7 students achieved the maximum score of 45. All 18 students entered for the Bilingual Diploma passed. The Bilingual Diploma involves studying 2 'first' language subjects, adding that extra level of difficulty.

KGV had an average IB points score of 36.7 with 93.9% of students scoring at least 30 points out of 45. 67.8% scored at least 35 points and an impressive 29% of students scored at least 40 points out of 45.

This year also saw our largest cohort of students entered for the IB Career-related Programme (IBCP). 100% of students were awarded the IBCP.

Congratulations to the class of 2026. This is a truly remarkable set of results.

Note: worldwide 2026 data is not yet available (except for the mean number of IB points per student).
